

***HVAC System Performance Check***

Think your heater is blowing cool? Defroster not working properly? Bring it in, our Certified Pros will tell you what the problem is for **FREE!!!**

***THIS COUPON MUST BE PRESENTED AT TIME OF SERVICE  
THIS OFFER VALID FOR A LIMITED TIME ONLY***

***ENGINE FREEZE UP SPECIAL***

Coolant is the lifeblood of your vehicle's engine, it keeps your car from freezing up in the winter and from heating up in the summer. Our service will flush the entire cooling system, drain the radiator, check all belts and hoses, vacuum check for leaks, fill and bleed the system with Manufacturer Specific Coolant, and performance test the system to verify cooling system efficiency. **All This for ONLY \$49.99**
